

Inside information

CaixaBank S.A. hereby reports that its Board of Directors has agreed to submit for approval at the Annual General Meeting that will be called in February, the distribution of a 0.2306€ gross cash dividend per share against 2022 Fiscal Year profits, payable during the month of April. The approval of this dividend at the Annual General Meeting, if applicable, and the specific payment conditions will be disclosed to the market in due time.

With the payment of this dividend, the remuneration corresponding to the 2022 Fiscal Year will be equivalent to a pay-out of 55% of consolidated net income, which is in line with the current Dividend Policy.
