The head table will be under no obligation to read out the register or provide copies thereof during the meeting itself.*
8. *The Chairman may extend the process of drawing up the attendance register by a few minutes should certain shareholders decide to pool their shares at the last minute. Should this situation arise, the Chairman may provisionally close the attendance register in order to confirm that there is a sufficient*

*quorum for the meeting to be validly held. The final attendance register and subsequent calculation of the final quorum must invariably be carried out before moving on to discuss the items on the agenda.*

9. *Shareholders or proxies who arrive late at the General Meeting after the cut-off point for handing in attendance cards and proxies will be allowed in as guests at the meeting, should they so wish (either in the meeting room/hall itself, or, should the Company so decide in order to avoid possible confusion during the meeting, in an adjacent room/hall from which they can follow the meeting), although neither such shareholders nor their proxies will be included on the attendance register.*

#### **ARTICLE 19. VOTING ON RESOLUTIONS**

1. *Once an item has been sufficiently discussed in the eyes of the Chairman, it will be put to the vote. The Chairman is responsible for implementing the voting system he/she deems most appropriate and for heading the corresponding voting process, with due heed paid, where appropriate, to any complementary rules set forth in these Regulations.*
2. *The shareholder may not exercise the voting rights corresponding to his shares in the cases of conflict of interests in which the Law expressly establishes such prohibition, his shares being deducted from the share capital for calculating the majority of the votes necessary in each case.*

*In the cases of conflict of interests of the shareholder other than those foreseen in the previous paragraph, the shareholders will not be denied of their right to vote, notwithstanding the legal provisions established in this regard.*

3. *Items will be voted on in the order stipulated in the notice of meeting, starting with the motions presented by the Board of Directors, and continuing with the proposals, if any, presented by shareholders of the Company in exercise of the rights recognized by law. In the event of motions that the General Meeting is able to vote on but which are not included on the agenda, the Chairman shall decide on the order in which they are to be voted on.*
4. *Each item on the agenda will be voted on separately. In all events, items deemed materially independent will be voted on separately, although being included in the same point of the agenda and, in particular:*
  - (a) *The appointment, the ratification, the reelection or the separation of each Director.*
  - (b) *In the amendments of the by-laws, that of each article of group of articles deemed materially independent.*
  - (c) *Those subjects in which the Company By-laws establish likewise.*

*Notwithstanding the above, and if the circumstances were to make it advisable, the Chairman may resolve to vote jointly proposals regarding several items on the agenda that in accordance to the Law, the By-laws and this Regulation should not be necessarily subject to be voted on separately. In this case the result of the voting will be deemed individually reproduced for each motion, insofar as none of those in attendance express their intention to vote differently in relation to certain items. Otherwise, the minutes will*

*record any voting changes expressed by those in attendance and the result of the voting pertaining to each motion as a result thereof.*

5. *The same procedure as described in the preceding paragraph will apply to voting on motions proposed by shareholders but not included on the agenda. In all cases, once a motion has been approved, all others motions relating to the same matter and which are incompatible with the approved motion will be automatically disregarded and, therefore, need not be voted on.*
6. *The Secretary need not present or read out any motions the written contents of which were available to shareholders prior to the General Meeting, unless any shareholder requests all or part of any of such motions to be read out, or if the Chairman deems this advisable. Attendees must invariably be advised of the item on the agenda to which the proposed motion put up for voting refers.*
7. *As a general rule, to ensure the smooth functioning of the General Meeting, and based on the presumption that any shareholder that leaves the meeting before the voting, without providing prior notice of his/her absence and the item on the agenda that he/she is to miss, intends to vote in favor of the motions presented or approved by the Board of Directors in relation to the items included on the agenda, resolutions will be voted on in accordance with the following procedure and voting system:*

- (a) *In the case of resolutions on items included on the agenda, the votes attaching to all shares represented at the meeting, whether present or represented by proxy in accordance with the attendance register, will be deemed as cast in favor of motions put forward or assumed by the Board of Directors, minus: 1) votes attaching to shares whose holders or representatives have informed the Secretary (or the person/s designated by the Secretary to such end) that they will be absent from the meeting during the voting in question; 2) votes against; 3) abstentions; 4) blank votes, if any.*

*When voting, the Chairman will firstly ask for any votes against, before then asking for abstentions, there therefore being no need to request votes for.*

*Blank votes will only be taken into account when shareholders wishing to do so make an express request to such effect, without the Chairman having to ask particularly about it.*

- (b) *In the case of resolutions on items not included on the agenda or motions not assumed by the Board of Directors, the votes attaching to all shares represented at the meeting, whether present or represented by proxy in accordance with the attendance register, will be deemed as cast against the item or motion, minus: 1) votes attaching to shares whose holders or representatives have informed the Secretary (or the person/s designated by the Secretary to such end) that they will be absent from the meeting during the voting in question; 2) votes for; 3) abstentions; 4) blank votes, if any.*

*For the adoption of resolutions relating to items not included on the agenda, the shares held by shareholders who cast their vote via remote channels of communication ahead of the General Meeting shall not be*

*counted as present and, therefore, those shareholders shall not take part in the voting.*

*When voting, the Chairman will firstly ask for votes in favor, before then asking for abstentions, there therefore being no need to calculate votes against.*

*Blank votes will only be taken into account when shareholders wishing to do so make an express request to such effect, without the Chairman having to ask particularly about it.*

8. *Shareholders wishing to leave the meeting must communicate their intention to the Secretary (or the person/s designated by the Secretary to such end) in writing. The notification must also be signed by the shareholder or his/her representative, indicating the number of shares owned or represented and the item on the agenda the shareholder intends to miss prior to voting. For the foregoing purposes, the card furnished to the shareholder or representative at the time they registered their name on the attendance register in preparation for written voting may be used.*
9. *Notwithstanding the provisions of section 7 above, the Chairman, if he or she considers it advisable, may establish any other voting system that enables the Company to calculate the votes for required to approve a resolution and keep minutes of the results of the voting. In all cases, and regardless of the voting system employed, shareholders may insist that their objection to a particular resolution be recorded in the minutes.*
10. *The Chairman and the Secretary will be responsible for counting the votes, unless the General Meeting previously designates two scrutinizing shareholders to carry out this task.*
11. *If the directors have made a public solicitation of proxies in order to carry any of the resolutions in which a conflict of interest is found to exist, except when the shareholder has conferred the delegation alternatively in favor of another person or has given specific instructions for voting, the shares with respect to which a director cannot exercise the voting right will not be calculated for purposes of determining the quorum for voting thereon, by application of the provisions of Law.*
12. *In accordance with the provisions of the by-laws, the exercise of voting rights may be delegated or exercised by the shareholder by regular post, electronic communication or any other means of absentee voting, provided that, for such cases, the Company has procedures in place that duly guarantee the identity of the shareholder exercising its right to remote vote, and record the identity and status (shareholder or proxy holder) of the voters, along with the number of shares with which they are voting, the direction of their vote or, as the case may be, any abstention, as well as the security of electronic communications.*

*The Board of Directors may approve any instructions, rules, means and procedures for the purpose of implementing the distance voting and proxy measures, in accordance with the prevailing state of the art and, with any related rules or provisions contained in the By-laws and these Regulations. In all cases, the procedures in place for exercising proxy rights or voting*

*remotely shall be published in the notice of the General Meeting and on the Company's website (www.caixabank.com).*

**ADDITIONAL PROVISION TELEMATIC ATTENDANCE AT THE GENERAL MEETING VIA REMOTE CONNECTION IN REAL TIME**

1. *Shareholders and representatives of shareholders who are entitled to attend the General Meeting may do so via any telematic technology that enables them to connect remotely and in real time to the venue where the General Meeting is being held. In any case, the means of connection employed must guarantee the identity of those attending via remote connection, while allowing them to exercise their rights and interact in real time. In general, these systems must not disrupt the normal and smooth course of the meeting.*
2. *Attendance at the General Meeting by remote connection in real time shall be subject to the following rules, which shall be developed and expanded by the Board of Directors and posted on the Company's website:*
  - (a) *The meeting announcement shall detail the cut-off time prior to the start of the meeting by which shareholders wishing to attend the meeting must have registered in order to be considered as a shareholder in attendance. Any shareholder who registers after the established cut-off time will not be counted as present.*
  - (b) *Any shareholder or proxy who wishes to attend the General Meeting telematically must identify himself or herself by means of digital signature or similar type of identification that reliably guarantees his or her identity, under the terms established by the Board of Directors.*
  - (c) *During the General Meeting the right to obtain information must be exercised through electronic means of remote communication, following the procedure determined by the Board of Directors.*

*The Board of Directors shall determine when and how shareholders who are to attend by telematic connection may send the Company any addresses, remarks or motions they may wish to make or raise at the meeting, thus ensuring that those attending remotely may exercise their rights while also ensuring the orderly and smooth course of the General Meeting.*

*Unless any of the circumstances warranting denial exist in accordance with the law, the By-laws or these Regulations, requests for information or clarification made by remote attendees while the General Meeting is in progress shall be answered during the meeting itself where possible. If not possible, the requested information shall be provided in writing to the interested shareholder within seven (7) days following the end of the General Meeting.*

3. *In any case, the Company accepts no liability for any damage or loss caused to the shareholder or proxy in the event that its website is temporarily down or suffers an outage, including faults, overloads, connection failures or other similar events beyond the Company's control. This is without prejudice to the adoption of pertinent measures in response to any such situation, possibly including the temporary suspension or extension of the General Meeting should this prove necessary to ensure that shareholders and their proxies are fully able to exercise their rights.*

The amendments made to Articles 8 ("Right of attendance"), 10 ("Right of representation") and 14 ("Attendance register") and the new Additional Provision ("Telematic attendance at the General Meeting via remote connection in real time ") shall take effect at the time the amendments to Articles 22 and 23 of the By-laws (governing the right of attendance and right of representation at the General Shareholders' Meeting) become effective, the approval of which has been laid before the General Shareholders' Meeting as Item 10 on the Agenda.
