

This presentation is purely informative and should not be considered an offer of any financial product, service or advice, nor should it be interpreted as an offer to sell or exchange or acquire, or an invitation for offers to buy securities issued by CaixaBank, S.A. (“CaixaBank”) or any of the companies mentioned herein. The information contained herein is subject to, and must be read in conjunction with, all other publicly available information. Any person at any time acquiring securities must do so only on the basis of such person’s own judgment as to the merits or the suitability of the securities for its purpose and only based on such information contained in the relevant documentation prepared by the issuer in the context of such specific issue having taken all such professional or other advice as it considers necessary or appropriate in the circumstances and not in reliance on the information contained in this presentation.

CaixaBank cautions that this presentation might contain forward-looking statements concerning the development of our business and economic performance. Particularly, the financial information from CaixaBank Group for the year 2019 related to results from investments has been prepared mainly based on estimates. While these statements are based on our current projections, judgments and expectations concerning the development of our business, a number of risks, uncertainties and other important factors could cause actual developments and results to differ materially from our expectations. Such factors include, but are not limited to the market general situation, macroeconomic factors, regulatory, political or government guidelines and trends, movements in domestic and international securities markets, currency exchange rates and interest rates and changes in the financial position, creditworthiness or solvency of our customers, debtors or counterparts.

Statements as to historical performance, historical share price or financial accretion are not intended to mean that future performance, future share price or future earnings for any period will necessarily match or exceed those of any prior year. Nothing in this presentation should be construed as a profit forecast. In addition, it should be noted that although this presentation has been prepared based on accounting records kept by CaixaBank and by the rest of the Group companies it may contain certain adjustments and reclassifications in order to harmonize the accounting principles and criteria followed by such companies with those followed by CaixaBank. Accordingly, the relevant data about Banco Português de Investimento (“BPI”) included in this presentation may differ from those included in the relevant financial information as published by BPI.

In particular, regarding the data provided by third parties, neither CaixaBank, nor any of its administrators, directors or employees, either explicitly or implicitly, guarantees that these contents are exact, accurate, comprehensive or complete, nor are they obliged to keep them updated, or to correct them if any deficiency, error or omission were to be detected. Moreover, in reproducing these contents by any means, CaixaBank may introduce any changes it deems suitable, may omit partially or completely any of the elements of this presentation, and in case of any deviation between such version and this one, CaixaBank assumes no liability for any discrepancy.

In relation to Alternative Performance Measures (APMs) as defined in the guidelines on Alternative Performance Measures issued by the European Securities and Markets Authority on 30 June 2015 (ESMA/2015/1057), this presentation uses certain APMs, which have not been audited, for a better understanding of the company's financial performance. These measures are considered additional disclosures and in no case replace the financial information prepared under International Financial Reporting Standards (IFRS). Moreover, the way the Group defines and calculates these measures may differ to the way similar measures are calculated by other companies. Accordingly, they may not be comparable. Please refer to the Glossary section of the Business Activity and Results Report January-December 2019 of CaixaBank for a list of the APMs used along with the relevant reconciliation between certain indicators.

This presentation has not been submitted to the Comisión Nacional del Mercado de Valores (CNMV – the Spanish Securities Markets regulatory authority) for review or for approval. (1) With regard to compensating the trading derivatives held via clearing houses LCH and EUREX, the compensation criteria established in IAS 32 have been met since 31 December 2019. This compensation has impacted in the following headings: “Financial assets held for trading”, “Financial assets at amortised cost - Customers”, “Financial liabilities held for trading” and “Financial liabilities at amortised cost – Other financial liabilities” for approximately €-4.2, €-2.4, €-8.0 and €+1.4 million, respectively.

(2) In accordance with the Amendments to IFRS 4, the Group has decided to apply temporary exemption from IFRS 9 in respect of the financial investments of the Group’s insurance firms for all periods that come before 1 January 2021 as it awaits the entry into force of the new IFRS 17: Insurance Contracts, which will govern the presentation and measurement of insurance contracts (including technical provisions). Accordingly, these investments are grouped under “Assets under the insurance business” on the balance sheet. To make the information more readily comparable, the Group has also grouped together the technical provisions relating to Unit Link and Flexible Investment Annuity (part under management), which are now reported jointly under ‘Liabilities under the insurance business’.

CaixaBank SDG Bond Framework – Key features and rationale

CaixaBank SDG Framework key features and rationale

- ▶ CaixaBank supports the UN SDGs while acknowledging the key role played by financial institutions in **helping to mobilise capital** for the transition to a low-carbon, resource-efficient and inclusive economy
- ▶ The **SDG Bond Framework developed in 2019** represents a declaration of intent to contribute to the process of transition to a low carbon economy, efficient use of resources, to financial inclusion and to the economy and employment in general

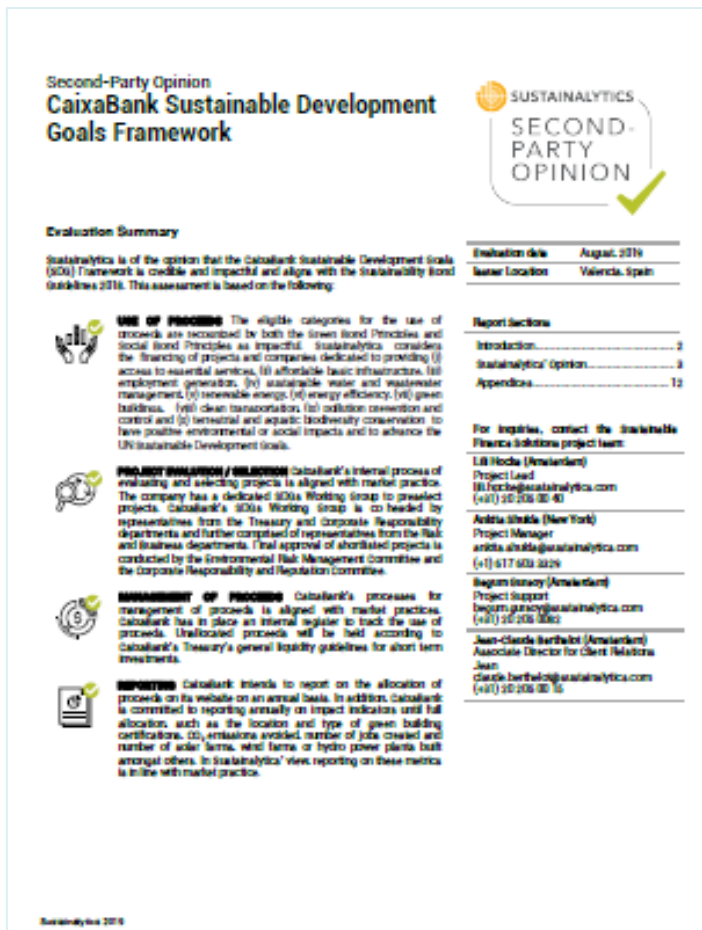

- **Public, transparent and aligned with the 4 pillars of ICMA Green and Social Bond Principles (GBP and SBP 2018) and Sustainability Bond Guidelines (SBG 2018)**
- **It allows for the possibility to issue:**
 - ✓ **Green bonds** (proceeds allocated to green projects only)
 - ✓ **Social bonds** (proceeds allocated to social projects only)
 - ✓ **Sustainability bonds**

- **Aiming at:**
 1. Reinforcing **corporate commitment to responsible banking**
 2. Fostering **responsible business** and increasing **customer satisfaction** while raising **ESG awareness**
 3. Offering a new **investment alternative** to ESG investors

Bonds issued under this Framework will promote the following SDGs

External review by Sustainalytics deems CaixaBank SDG Framework credible and impactful

FRAMEWORK VERIFICATION – Second party opinion

Sustainalytics considers CaixaBank's SDGs Framework aligned with GBP, SBP, SBG and GLP⁽¹⁾

Sustainalytics is of the opinion that the CaixaBank SDG Framework is credible and impactful and aligns with the four core components of the Green Bond Principles 2018 (GBP), Social Bond Principles 2018 (SBP) Sustainability Bond Guidelines 2018 (SBG) and Green Loan Principles 2018 (GLP).

- Sustainalytics considers the financing of projects and companies dedicated to providing (i) access to essential services, (ii) affordable basic infrastructure, (iii) employment generation, (iv) sustainable water and wastewater management, (v) renewable energy, (vi) energy efficiency, (vii) green buildings, (viii) clean transportation, (ix) pollution prevention and control and (x) terrestrial and aquatic biodiversity conservation to have positive environmental or social impacts and to advance the UN Sustainable Development Goals.
- CaixaBank integrates sustainability in its business strategy, committing to support the transition to a sustainable economy while continuously working towards avoiding, mitigating and remedying those activities that could present a risk for the community and environment.
- CaixaBank's internal process of evaluating and selecting projects as well as processes for management of proceeds are aligned with market practice. In addition, CaixaBank intends to report on the allocation of proceeds on its website on an annual basis.
- The allocation of the net proceeds will also be subject to External Review while a qualified sustainability expert will be engaged to prepare the impact of the Projects to which proceeds have been allocated and is committed to reporting annually on impact indicators on its website until full allocation.

Glossary (I/V)

In addition to the financial information prepared in accordance with International Financial Reporting Standards (IFRS), this document includes certain Alternative Performance Measures (APMs) as defined in the guidelines on Alternative Performance Measures issued by the European Securities and Markets Authority on 30 June 2015 (ESMA/2015/1057) (the “ESMA Guidelines”). CaixaBank uses certain APMs, which have not been audited, for a better understanding of the company’s financial performance. These measures are considered additional disclosures and in no case replace the financial information prepared under IFRS. Moreover, the way the Group defines and calculates these measures may differ to the way similar measures are calculated by other companies. Accordingly, they may not be comparable. ESMA guidelines define an APM as a financial measure of historical or future performance, financial position, or cash flows, other than a financial measure defined or specified in the applicable financial reporting framework. In accordance with these guidelines, following is a list of the APMs used, along with a reconciliation between certain management indicators and the indicators presented in the consolidated financial statements prepared under IFRS.
