

Results Presentation **2015**

Barcelona, 29 January 2016

Disclaimer

The purpose of this presentation is purely informative and the information contained herein is subject to, and must be read in conjunction with, all other publicly available information. In particular, regarding the data provided by third parties, neither CaixaBank, S. A. ("CaixaBank"), nor any of its administrators, directors or employees, is obliged, either explicitly or implicitly, to vouch that these contents are exact, accurate, comprehensive or complete, nor to keep them updated, nor to correct them in the case that any deficiency, error or omission were to be detected. Moreover, in reproducing these contents in any medium, CaixaBank may introduce any changes it deems suitable, may omit partially or completely any of the elements of this document, and in case of any deviation between such a version and this one, assumes no liability for any discrepancy.

CaixaBank cautions that this presentation might contain forward-looking statements. While these statements represent our judgment and future expectations concerning the development of our business, a number of risks, uncertainties and other important factors could cause actual developments and results to differ materially from our expectations.

Statements as to historical performance, historical share price or financial accretion are not intended to mean that future performance, future share price or future earnings for any period will necessarily match or exceed those of any prior year. Nothing in this presentation should be construed as a profit forecast.

This document has at no time been submitted to the Comisión Nacional del Mercado de Valores (CNMV – the Spanish Stock Markets regulatory body) for approval or scrutiny. In all cases its contents are regulated by the Spanish law applicable at time of writing, and it is not addressed to any person or legal entity located in any other jurisdiction. For this reason it may not necessarily comply with the prevailing norms or legal requisites as required in other jurisdictions.

This presentation on no account should be construed as a service of financial analysis or advice, nor does it aim to offer any kind of financial product or service. In particular, it is expressly remarked here that no information herein contained should be taken as a guarantee of future performance or results.

In making this presentation available, CaixaBank gives no advice and makes no recommendation to buy, sell or otherwise deal in CaixaBank shares, or any other securities or investment whatsoever. Any person at any time acquiring securities must do so only on the basis of such person's own judgment as to the merits or the suitability of the securities for its purpose and only on such information as is contained in such public information having taken all such professional or other advice as it considers necessary or appropriate in the circumstances and not in reliance on the information contained in this presentation.

Without prejudice to legal requirements, or to any limitations imposed by CaixaBank that may be applicable, permission is hereby expressly refused for any type of use or exploitation of the contents of this presentation, and for any use of the signs, trademarks and logotypes which it contains. This prohibition extends to any kind of reproduction, distribution, transmission to third parties, public communication or conversion into any other medium, for commercial purposes, without the previous express permission of CaixaBank and/or other respective proprietary title holders. Any failure to observe this restriction may constitute a legal offence which may be sanctioned by the prevailing laws in such cases.

In so far as it relates to results from investments, this financial information from the CaixaBank Group for 2015 has been prepared mainly on the basis of estimates.
